The following is a company announcement issued by Datatrak Holdings p.l.c. pursuant to Malta Stock Exchange Bye-Law 5.03.02 and the MFSA Listing Authority Listing Rule 8.6:

QUOTE

Datatrak Holdings plc, through its subsidiaries Datatrak Solutions Ltd and Datatrak Italia srl, have just concluded four separate multi year contracts in the United Kingdom, Italy and Libya, whereby Nilfisk Advance, Easy Trade srl, IB Service srl and Medilink International have separately signed up for Datatrak's proprietary mobile and route optimisation solutions.

Nilfisk Advance (UK), a world leading manufacturer of professional cleaning equipment and part of the Danish based NKT Group, an international Group consisting of more than 80 companies employing over 9000 employees worldwide, shall be equipping its on-the-field engineers and technicians with Datatrak's workforce management and job processing solution, 'DispatchIT' to cover maintenance and repair services of its products across the UK territory.

In Italy, Easy Trade, a subsidiary of the private postal operator Gruppo InPosta SpA, signed up for the combined use of DispatchIT and RouteIT for its postal operations, whereby through RouteIT, Easy Trade will be in a position to plan and optimise the routes to be followed on a daily basis by its postal operators. A third contract was signed with IB Service, a franchisee of KiPoint of Gruppo Posteltaliane, for the use of DispatchIT across its fleet and parcel delivery persons.

Datatrak has also secured a multi year contract with Medilink International, a service provider offering a complete range of medical services, which international clients require when establishing and running operations in Libya. Medilink, will be equipping its subscribers with a datatrak emergency location based solution allowing its emergency services and ambulances to reach its clients in distress as quickly as possible
